**Success**  
Nobody managed the circus  
business particularly well  
until Barnum took hold of it,  
and now that he has suc-  
ceeded, up come Forepaugh,  
and Bailey, and the rest.  
The truth is, we suspect,  
that everybody took hold of  
the circus business by the  
wrong end—a great many  
businesses are taken hold of  
by the wrong end.  
Tea, for example. Every  
tea-merchant knows that tea  
ought to be drunk as soon as  
possible after it is roasted;  
and yet all tea (in America)  
is roasted in far-away coun-  
tries, and lies for months in  
steamers and wholesale tea-  
warehouses.  
All tea except Schilling's  
Best, which is roasted (prac-  
tically) to your grocer's order.  
It is the only fresh tea there is.

**Your money back if you**  
want it.

**BISBEE NEWS.**  
Daily Happenings at the  
Great Copper Camp.

Budget of Interesting Items  
from our Regular Cor-  
respondent.

Bisbee has had another  
flood, and the report is that  
much damage and loss to  
property has been sustained,  
though if there has been any  
loss of life it is not known  
here.

The A. & S. E. railroad is  
thought to be badly washed  
out as there has been no train  
arrived at Fairbanks so far  
today, hence we have no re-  
port from our reporter at the  
copper camp, and we know  
nothing farther than as stated  
above.

Mrs. E. E. Davis, of San Miguel, Cal.,  
says: "I am trying in a measure to re-  
pay the manufacturers of Chamberlain's  
Cough Remedy for the great good their  
remedy has done me. For years I was a  
constant sufferer from weak lungs and  
bronchial asthma. My rest at night was  
disturbed by a hacking cough so that I  
felt miserable the greater part of the  
time. Many remedies recommended by  
friends were tried, none of which proved  
suitable to my case. I did not ex-  
perience any beneficial results until I began  
taking Chamberlain's Cough Remedy.  
After two bottles of the larger size had  
been used I am pleased to state my  
health is better than it has been for years.  
The soreness has left my lungs and chest  
and I can breathe easily. It has done  
me so much good that I want all who are  
suffering from lung troubles, as I was, to  
give it a trial." For sale by druggists.
